**Subject:** current version IS with more suggested edits  
**Attachments:** Induced seismicity Report 1-16-14 Final wo figs\_edited for Peer Review\_090214\_v2.docx

This is my current working version and includes more global changes for injector to disposal well, and various other suggested changes based on 'increasingly difficult injection' etc.

For those who want gold colored stars, please look at the changes and new additions including the new Appendices: N and O.

THANK YOU!  
Nancy
